

Logistics Done Right - Standard Prep Service 2022 Q3

Basic Prep	\$0.65 - \$0.85 unit	Labels (expiration labels, FNSKU/UPC, etc), polybag or tape, covering stickers/labels
Prep Boxing	\$2.00 unit	Same as Basic Prep, but the item has to be boxed. This is a service charge. The price of the actual box is separate.
Bundle/kit 2-3 pack	\$1.25 - \$1.50	2-3 items put together inside a polybag. Using a box, shrink film, or bubble wrap is extra. Includes labels (expiration labels, FNSKU/UPC, etc), polybag or tape, covering stickers/labels
Bundle/kit 4+ pack	\$1.75 - \$2.00	4+ items put together inside a polybag. Using a box, shrink film, or bubble wrap is extra. Includes labels (expiration labels, FNSKU/UPC, etc), polybag or tape, covering stickers/labels

Price ranges are dependent on volume. These prices are all-inclusive of standard bags, labels, stickers, and other materials. Additional supplies such as cartons are charged at market rate, with a standard 15% markup.

Surcharge	Extra Price	Explanation
Small shipment	\$5/sku	Fewer than 25 units of any SKU OR Fewer than 10 items going to the same destination
Reboxing	\$5.00	The cartons the shipment arrived in cannot be reused, so new ones are needed. The price of the carton is an additional cost.
Insert	\$0.25	A paper insert, manual, or advert has to be placed inside the item or shipment. Printing costs are separate (waived if the customer provides inserts).

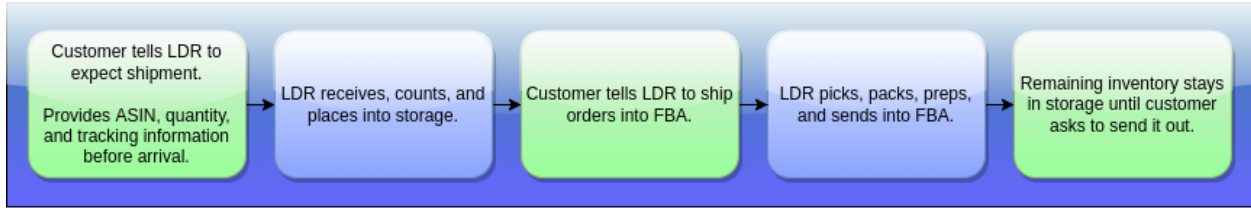

Storage - no storage is included longer than 10 business days without prior arrangement. Inventory remaining in storage longer than 10 days will be disposed of after several attempts to contact the customer. Counting/labeling and re-palletizing for storage may incur additional charges.

Extra services / general labor - Work requested beyond prices and terms shown is billed at \$60/hr in 15 minute increments. Fixed dollar amounts are based on this \$60/hr rate.

Payment is due prior to any shipment leaving the warehouse, unless otherwise agreed. We accept Visa, Mastercard, AMEX, ACH, Paypal, and Payoneer.

Replenishment and fulfillment - these additional charges apply when inventory will remain in storage and need to be shipped in batches over time.

Receive	Price each	When it applies
Receive carton	\$2.50 minimum	Each carton received into storage
Count inventory	\$0.25/unit	Count contents
Item# inventory	\$0.50/unit	Count and apply serialized barcodes to each unit
Receive Pallet	\$20/pallet	Applies in each of the following situations: <ol style="list-style-type: none"> 1. A pallet was delivered to us; 2. We have to palletize/repalletize inventory to store it effectively. This means a 4x4x4 max pallet with no more than 6 SKUs on it.

Outbound Fee	Price	Explanation
Ship carton	\$2.50 minimum	Includes either a sealed carton or 1 item
Additional item	\$0.50/unit	Each item in the carton
Palletize	\$20/pallet	Plus the number of cartons

Cartons and mailers charged at market rate, plus 15% standard markup.

Storage:

\$0.65 / CuFt per month for inventory that fits in standard racking and shelving.
 \$40/month for pallets

Inventory cannot remain in storage longer than 90 days without prior written approval. Unless "Item Numbering" service is used, inventory will be shipped in a FIFO manner.

Outbound shipments are processed in the order we receive them. Changes in priority after orders are placed may incur additional charges.

Lead Time:

Customer is responsible for maintaining a forecast of anticipated outbound volume 45 days in advance. When an accurate forecast is maintained, orders generally ship within two business days. Single-item orders placed prior to 12pm EST will usually ship same-day.
